Wisma MAH, Ampang (24 Nov 2020) – With the recent announcement by the National Security Council, Malaysians can travel again between green zones and take advantage of special deals offered by hotels across the country particularly in green zones. While parts of the country are still under Conditional Movement Control Order (CMCO), the domestic green travel bubble initiative is much welcomed by the tourism industry with many offering special deals and promotions targeted at year end holiday makers. Malaysians can also purchase hotel deals for immediate travel or future use.

With the Tourism, Arts and Culture Minister Datuk Seri Nancy Shukri’s announcement of the domestic green travel bubble guidelines, Malaysian Association of Hotels (MAH) with support from Tourism Malaysia also launched a series of hotel deals via its partner website RoomieTravels.my with discounted hotel stays up to 70%.
